# Exercises in Aimed Solar Returns from the Blog of **Ciro Discepolo** (45)

**Hello** **Ciro,**

I want to thank you for helping me with my solar return. I was wanting to take your advise and travel to Saglek Bay, Canada to help with my health issues.

There is only 1 camp you can travel to there and since your advice, I have tried calling them and emailing them several times with no response. It's a very remote area and its not a place I can just show up at.

What should I do?

They are not responding and my birthday is coming up. Should I look into another place or stay in Kokomo Indiana here in the US?

Please help me once again.

I am in desperate need of recovery.

Thank you, Lisa

**Dear** **Lisa,**

please, observe the two Aimed Solar Returns for Goose Bay and for Nain in Labrador: they are good and are a possible alternative to the one og Saglek Bay.

But the Saglek Bay is the most powerful ASR for your health and I push you to don't abandon this project.

Also I was born on July 17 and they are 4-5 months that I am trying to book my trip of birthday, without being still succeed: but I will not renunce.

There are three places in the world where the owners of the lodges don't answer usually never you: for email, for fax, for telephone...

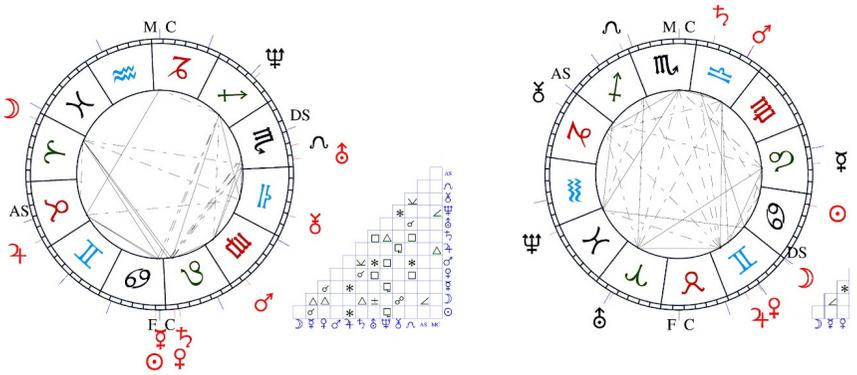

I speak of the Iceland, of Canada and of Alaska.

I don't know how to explain you why they do so, but it is the realty. In 42 years of practice has happened me a lot of times that my consultants had the flyght ticket but not the booking in the motel.

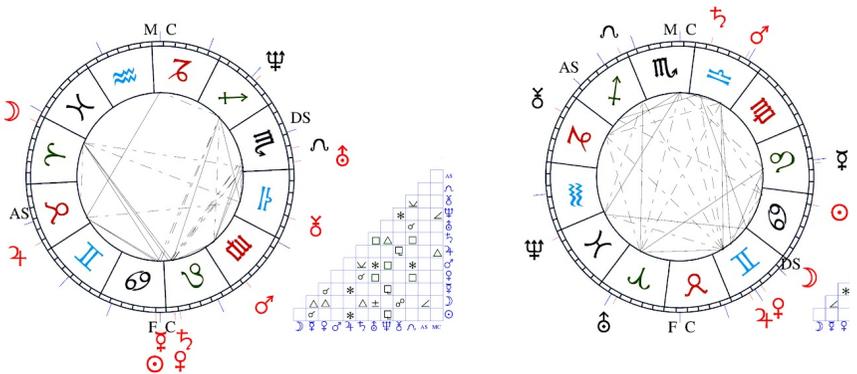

Once I have gone to Kuujjuuak, North Québec, without booking because in 5 months they have never answered me. I have found 20° centigrade under the zero and 20 meters of snow. However I knew that they would not have let me die out to the cold and in fact they gave me a room (one meter of a box).

The ASR of Saglek Bay values twice the one of Goose Bay and the one of Nain. I advise you to book the flyght because when you will be there, the citizens will not leave you to sleep on the road!

Best wishes.

**Dear Ciro,**

What would you place, in an Aimed Solar Return or in an Aimed Lunar Return, to improve a chronic bulimia?

Thank you. Anonimo.

**Dear Anonimo,**

I would try to act on three directions:

- Venus or Jupiter in the Sixth House (great help for the health)
- Saturn in the first House because it pushes you to the frugality, to the essentials, to the separation from the food and from the material things.

- I would strengthen a lot the Second House that has a strong relationship with the image and it would help you to improve the look.

Many wishes.

**Dear Sir,**

It's me, Kathy from KL.

It's been a while since my last message to you. Remember last time I told you that I'll start my new job.

Too bad I didn't get the job. The job that I applied is related to Tv station. I'm very upset. Based on my chart, do I have luck to work in this line? My life changes a lot after my 1st solar return travel.

But I still don't have luck with my dream job.

Is it possible for you to check my chart. My next solar return will be in Lexington, US..

Hope to hear from you soon.

MY birth details :- 19th Dec 1983, 11.04 am, Brunei...

For my 1st attempt solar return, I went to Jiayuguan, China.

Regards, Kathy

## Dear Kathy,

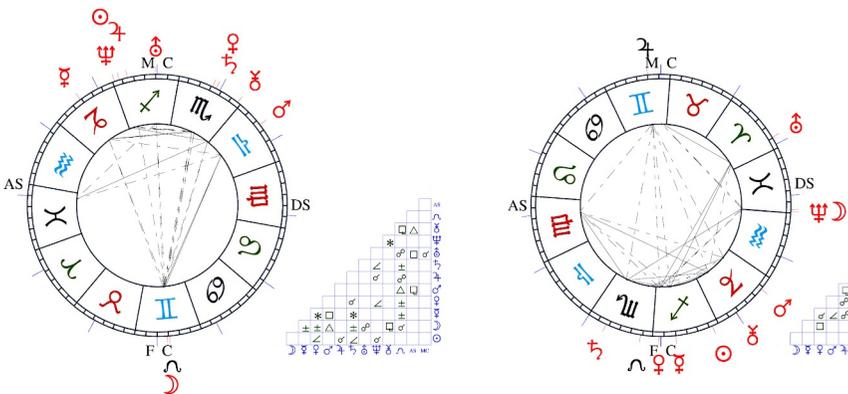

that that you see under it is a very good Aimed Solar Return to spend your next birthday.

You tell that you have not been able to go to Pohnpei (no Pompei) in Micronesia and I understand that at times exists the impossibility that all us don't succeed in overcoming.

Nevertheless I think that who asks us help, in this blog, has to be sincere with us. In contrary case he would be able not to get the results that he or she desires to reach and could also make very bad to himself or to herself.

Now I have found in my database an Anonymous with your same birth data, but been born in Kuala Lumpur and not in Brunei (Brunei is a nation, not a city).

If you are that Anonymous and you will go to Lexington in the Michigan you will damage a lot you and also me that I have helped you.

Lexington Michigan For Kathy ASR 2012

## Brunei

### Dear Sir,

It must be misunderstanding. I was born in Bandar Sri Begawan, Brunei but now I'm staying in Kuala Lumpur. I went to Jiayuguan after you advised me to travel there last December. So what is going to happen now?

I wish that I could travel to Italy to ask for advice.

So how about my next solar return? Should I travel to Lexington?

Regards, Kathy

### Yes, dear Kathy,

there was a misunderstanding because in the first message you did not write your birth data.

As you can see the radix Ascendant is right and so the Aimed Solar Return for Lexington. Best wishes.

**Thanks,**

I will make plans to travel to Goose Bay or Nain and hope for best! Interesting your birthday is July 17th too.

Makes sense you are a Cancer and want to help so many people. I'm looking forward to better health and it can't come soon enough.

I have a twin sister and we spent our last birthdays together. Although I can say she has not been as healthy as she normally is, I've really had a health battle and have been quite sick. Thanks again,

I meant I will travel to Goose Bay or Nain and try to get into Saglek Bay.

Lisa

**Very well, Lisa,**

so I desire to listen you when are speaking. I am a Cancer, but with a very important 12^ Radix House.

**Dear Ciro,**

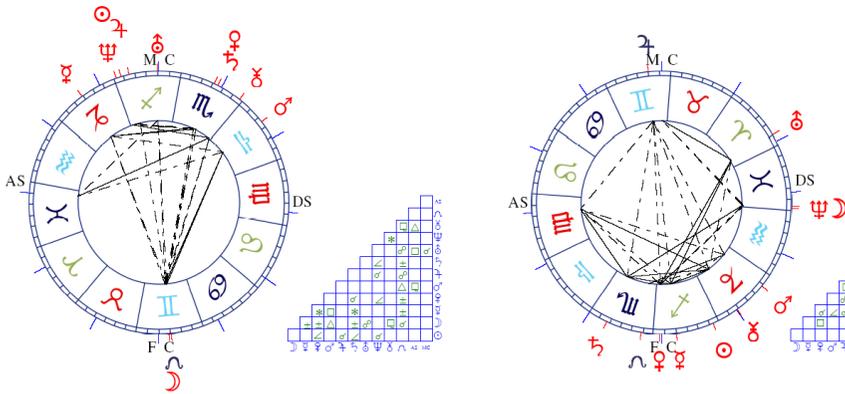

Early this morning my Jupiter return occurred, do you have any writing you can direct me to on the subject?

Best regards,

John from Buffalo

**Dear John,**

I think that the only Return useful for us are the Solar Returns and the Lunar Returns, best regards.

**Dear Sir,**

Thanks for your comments, I have been thinking of learning a martial arts - this seems to be a fruitful time.

The humour does help... I am sure I do not have thousands of enemies as you do and shall survive this year or so.

Regarding relationship potential do you see any hope or do you have any suggestions to improve the scope for this year? My SR Venus seems to be in the 5th house - that must be good.

regards. A.

**Dear A,**

I think that you will learn to control a lot your behavior, in this year, and it could be an extraordinary scope to improve your next months. Almost surely you will have one or more breakdowns in your relationships, but this fact can give you a new love.

Best wishes.

Ciro Discepolo, an astrologer, journalist and writer, was born in Naples in 1948 (on the 17th of July, at 5:40 am).

He worked for twenty years at the most popular daily of Naples, *Il Mattino*, writing articles on science, medicine, informatics, literature and astrology. He always refused to cast the so-called 'horoscopes of

the solar signs' for that newspaper and for any other newspaper or magazine.

He worked (at 20 years old) for five years at the CNR (National Research Council) as Researcher Helper and, for two years, as Electronic Measures Laboratory's head in the Istituto Motori of Naples, CNR.

He has been dealing with astrology since 1970. He has written over 65 books, most of them best-sellers in Italy as well as abroad (France, the United States of America, Spain, Germany, Hungary, Slovenia and Russia). He has published also about 750 Astrology lessons on YouTube. In 1990 he founded the quarterly *Ricerca '90*, which he's been directing since then.

He's been doing statistical researches from the very beginning of his interest in astrology.

At the beginning of the '90s, he obtained very brilliant results with researches on astral heredity on a sample of over 75,000 subjects.

He's been holding seminars, courses and lectures in different universities and cultural centres in Italy and abroad.

He particularly deals with Predictive Astrology and Aimed Solar Returns. According to many colleagues he may be considered the greatest living expert of this sector. In fact not only he wrote a dozen of texts on this specific segment of the "Art of Urania" - he can also rely on an experience of more than 20,000 aimed birthdays (covering the years 1970 to 2007) that he suggested, whose outcomes he collected at an interval of one year.

He developed extremely advanced software packages for the study of Predictive Astrology, also projecting an innovative algorithm which is particularly useful for the dating of events within one year for individuals or groups of people.

He is deeply interested in informatics. Astrologically speaking, he followed the school of André Barbault.

He founded the school of the Active Astrology.
