# Exercises in Aimed Solar Returns from the Blog of Ciro Discepolo (46)

**Dear Ciro,**

could you verify that my next ALR for May 2012 is good for Legal issues please? Boston, MA, USA.

Birth Data 24, Feb, 1968. 10:24 AM. Oshkosh, WI, USA.

Also, I want to start a non-profit helping single moms like myself. Can you suggest a good time to start this in 2012 please?

Thank you so much for all your wonderful work,

Julie

**Dear Julie,**

I often think about you and your splendid baby that is also a mascot of this blog and I feel a lot of tenderness!

Your choice for Boston, to strengthen law, on May 2012, is good. If you want you can subsequently improve it to Haiti:

- We leave Saturn out of the 5<sup>^</sup> House
- We have to take Venus in 12<sup>^</sup>, but we put it joined to the Ascendant
- We leave the beautiful conjunction Sun-Jupiter in 11<sup>^</sup>
- We add Pluto in VII that could work in synergy with the Sun and Jupiter in 11<sup>^</sup>

To inaugurate your activity for single mothers, I recommends you to make to coincide the birth of this nice initiative with your Aimed Lunar Return of June to New York.

Go on so because you are very expert.

**Haiti May 2012 ALR For Julie For Law**

**Inauguration No Profit Activity For Julie Contemporarely To ALR New York June 2012**

## **Thank you Ciro!**

I will go to New York June ALR. Can you tell me, can I start research for my non-profit now, or should I wait and start everything on the June LR?

Julie

## **Dear Julie,**

you can prepare the work for the inauguration of June, also today, but pay attention because some actions could be the job in total sense: for example, if you are speaking with a mother that desires to enter in your association and you give to her some advices about to compile some law documents, it will be the birth of this your new work.

Best wishes.

## **Dear Ciro,**

I bought your book "Aimed Solar and Lunar Returns (What can you do when you cannot leave)" and plunged into it as soon as it arrived today.

I am still struggling with couple of aspects that I find in my latest SR

1. Saturn opposition Sun
2. Mars in the 8th house (3 degree 45' 8th SR house; cusp of 7th and 8th house)

For the first your book suggests keeping a low profile; for the latter it recommends being aggressive - starting "war", etc. I do feel quite angry and aggressive, and had a recent row in a political meeting and afterwards with a politician of some public standing.

Please suggest. I mostly feel a rage building inside of me, and a part of me doesn't even care. Do you see any positive aspect in the ASR (or

maybe I should call it mis-aimed SR, as I spent substantial amount, given my monetary situation, to go to Edinburgh for the SR... :D ) or shall I brace myself for the hard and nasty blows that life has in preparation.

Birth details - 13 April 1975, 8.10am, Kanpur, India (26n28 80e20)

Solar Return (2012) - Edinburgh, Scotland (55n03, 3w11)

regards and thanks,

A.

**Dear A,**

first of all remember that in the Solar Returns and in the Lunar Returns the aspects don't matter and therefore we allow to lose Saturn opposed to the Sun.

The bad position indeed, besides the stellium in your First House, is that Mars that temporarily takes the VII and the 8<sup>^</sup> House.

Yes, I recommend you to quarrel a lot, for the whole year, but I recommend you not to quarrel in dangerous way.

You hold a low and constant profile.

Quarrel every day with a neighbor that dirties the staircases or enroll you in an association for the improvement of the life in your city and make continuous interventions of attack to whom doesn't love enough your city.

However this would be able not to be enough and I recommend a lot you to enroll in a course of martial art: karate or judo or aikido...

Finally not to be too worried because you don't have thousands of enemies as me and surely you will survive to this position.

Best wishes

**Dear Sir,**

Thanks for you comments, I have been thinking of learning a martial arts - this seems to be a fruitful time. The humour does help... I am sure

I do not have thousands of enemies as you do and shall survive this year or so.

Regarding relationship potential do you see any hope or do you have any suggestions to improve the scope for this year? My SR venus seems to be in the 5th house - that must be good.

regards, A.

**Dear A,**

I think that you will learn to control a lot your behavior, in this year, and it could be an extraordinary scope to improve your next months. Almost surely you will have one ore more breakdowns in your relationships, but this fact can give you a new love.

Best wishes.

**Dear Ciro,**

I had my last SR in Hilo as advised. I will be in Asia (thailand) when my 2012 birthday occurs and it may not be easy to go back to Hilo as I understood might be advisable this year.

Is there a good place for me to be in my nexr SR that's close to Thailand? Is it bad to have it in Thailand in 2012?

birth data: born 3rd nov. 1962, at 11:07, in Lyon, france, i'm female. Thanks for your kind help.

Anonymous

**Dear Female Anonymous,**

it is possible, to Calcutta, India, for example, but it will be very veru very different in relation to a very good ASR as Hilo of the last year... Best wishes.

### **Hello Ciro and nice to meet you, too!**

My birthdate is 2 July 1970 and I was born at 00:28 (12:28 AM) in New York City, NY, USA. I am an actor and I am moving to Los Angeles in one month but my solar return chart in Los Angeles looks difficult.

I need to travel for my birthday, and I was wondering if you had a suggestion as to where to spend my birthday this year.

I'm having a hard time finding a good place to travel to.

Is Columbus, Ohio, USA okay, or do you think there's a better place?

Thanks!

Best, Victor from New York City

### **Dear Victor,**

I advise you Sao Tome' Principe Island with a very good conjunction Venus-Jupiter in the Tenth House and with Mars

separated by Saturn.

Best wishes.

Ciro Discepolo, an astrologer, journalist and writer, was born in Naples in 1948 (on the 17th of July, at 5:40 am).

He worked for twenty years at the most popular daily of Naples, *Il Mattino*, writing articles on science, medicine, informatics, literature and astrology. He always refused to cast the so-called 'horoscopes of

the solar signs' for that newspaper and for any other newspaper or magazine.

He worked (at 20 years old) for five years at the CNR (National Research Council) as Researcher Helper and, for two years, as Electronic Measures Laboratory's head in the Istituto Motori of Naples, CNR.

He has been dealing with astrology since 1970. He has written over 65 books, most of them best-sellers in Italy as well as abroad (France, the United States of America, Spain, Germany, Hungary, Slovenia and Russia). He has published also about 750 Astrology lessons on YouTube. In 1990 he founded the quarterly *Ricerca '90*, which he's been directing since then.

He's been doing statistical researches from the very beginning of his interest in astrology.

At the beginning of the '90s, he obtained very brilliant results with researches on astral heredity on a sample of over 75,000 subjects.

He's been holding seminars, courses and lectures in different universities and cultural centres in Italy and abroad.

He particularly deals with Predictive Astrology and Aimed Solar Returns. According to many colleagues he may be considered the greatest living expert of this sector. In fact not only he wrote a dozen of texts on this specific segment of the "Art of Urania" - he can also rely on an experience of more than 20,000 aimed birthdays (covering the years 1970 to 2007) that he suggested, whose outcomes he collected at an interval of one year.

He developed extremely advanced software packages for the study of Predictive Astrology, also projecting an innovative algorithm which is particularly useful for the dating of events within one year for individuals or groups of people.

He is deeply interested in informatics. Astrologically speaking, he followed the school of André Barbault.

He founded the school of the Active Astrology.
