# Exercises in Aimed Solar Returns from the Blog of Ciro Discepolo (80)

**Hello Ciro,**

You helped me with my last return, so I am hopeful you will again. I had been sick most of the year with asc SR in 6th house, as well as Uranus and Pluto. You advised I go to Saglek Bay for 2012 Return.

I am still struggling with some mild health issues, but MUCH better! I am hoping for 2013 something more affordable, but I understand if not.

Mainly I am looking for good health for myself and husband and children, stable finances, good stable family life.

Not too much to ask for, right? Ha. Ive had several yrs in a row with 12th and 6th house returns so I need something lighter!!

Thank you so much. 07/17/1976 12:58am Kokomo Indiana US. Eastern Time.

Anonima from Indiana, USA

**Dear Anonima,**

I am very happy that your health has had a good improvement: now we have to stabilize it!

It is not possible to reach all the goals that you ask, but we can improve again your health that is the most important thing: San Felipe, Baja California, Mexico.

Best wishes.

### Dear Master Ciro:

Santiago here again, I commit a mistake not telling you what of all the Florianopolis in Brazil was the one that I got my airplane tickets (now I know there is a lot of Florianopolis), my ASR is in Florianopolis BUT the one in Santa Catarina (Florianópolis, Santa Catarina, Brasil), Latitud: 27-35S, longitud: 48-34W).

Its more Southern than Rio the Janeiro by the same coast and is almost the same as Rio de Janeiro as I could understand through the Google ASR and other SR chart systems.

So I hope this position makes my SR a little bit better?

Would be worth it ? I think it makes the work of putting Mars on the 5th house.

Only problem would be the Saturn in 1st... but is better than having mars on 6th no? an the index of risk was the same as Rio de Janeiro...34

Sorry for not being more specific I didn't know there where a lot of cities with the same name in Brazil.

Thank you again !!

and happy new year!

Santiago from Chile

## Oh, Santiago,

now it is OK! Only Uranus in the 6<sup>^</sup> House is not splendid, but you are quite young and the next year we will make better.

Best wishes.

## Hello Ciro,

Just want to send a quick message to you and thank you for helping me with my solar return for health.

I only wish I would have known the importance before 2011. You are very right that nothing is more important than ones health.

I am going to purchase your book Solar Returns from Amazon, is there another book that you would recommend for someone who isn't heavily knowledgeable?

Again, thank you for your help.

Lisa from Indiana

## Dear Lisa,

in this moment my Transits and Solar Returns is sold out.

It will be available in 4-6 weeks. First of all, however, I advise you to read these other 3 books of mine, in the inverse following order:

**Dear Master Ciro,**

I continue to explore the best possible solar return for my friend with data of birth Nov 19th 1970.

I just realized that she has a Jupiter that can be brought conjunct to MC right here in US. I found the following 2 places

1.) Sante Fe, New Mexico - The issue with this place is that Ascendant is almost conjunct with 12th.

2.) Kilauea, Hawaii - The negative of this position seems to be Mars in 1st and Neptune in 7th but Ascendant is in 10th and Jupiter is in 11th.

Please take a look and advise if you think she can go a solar return within United States in 2013? Your advise is greatly appreciated.

Sincerely,

Neena

**Dear Neena,**

I think that you have understand that the goal of any Aimerd Solar Return is to improve, positively, the life of a subject.

And how could it improve a person's life if you choose for him to put the AS in the 12<sup>^</sup> House, Mars almost on the cusp of the 12<sup>^</sup> House and Saturn surely on the cusp of the 2<sup>^</sup> House of a man who have financial problems?

And why, do you ask me if it's okay Mars in the First House, one of the worst positions in the Aimerd Solar Returns?

But what I just do not understand, is the fact that I have already recommended several days ago a site for the Solar Return of your friend, so why ask me to look at the alternatives that should be good for groped to kill your enemy?

You do not trust me?

A warm greeting.

**Dear Ciro,**

thank you as always for your wonderful work and your critical insights which are so valuable to us bloggers.

There have been some questions about Jupiter on the blog lately, and I also have a question.

I have chosen to place Jupiter in the 5th house of SR last year and next year for continued enjoyment of my baby girl, and hopefully to find love, which I do not have.

I am wondering if there are any bistable effects when placing Jupiter in the same house several years in a row.

Anonimo

**Dear Anonimo,**

no the "bistable" Jupiter's effect is only for the 2<sup>^</sup>, VII and 8<sup>^</sup> Houses. Please, consult my Transits and Solar Returns.

Best wishes.

Ciro Discepolo, an astrologer, journalist and writer, was born in Naples in 1948 (on the 17th of July, at 5:40 am).

He worked for twenty years at the most popular daily of Naples, *Il Mattino*, writing articles on science, medicine, informatics, literature and astrology. He always refused to cast the so-called 'horoscopes of

the solar signs' for that newspaper and for any other newspaper or magazine.

He worked (at 20 years old) for five years at the CNR (National Research Council) as Researcher Helper and, for two years, as Electronic Measures Laboratory's head in the Istituto Motori of Naples, CNR.

He has been dealing with astrology since 1970. He has written over 65 books, most of them best-sellers in Italy as well as abroad (France, the United States of America, Spain, Germany, Hungary, Slovenia and Russia). He has published also about 750 Astrology lessons on YouTube. In 1990 he founded the quarterly *Ricerca '90*, which he's been directing since then.

He's been doing statistical researches from the very beginning of his interest in astrology.

At the beginning of the '90s, he obtained very brilliant results with researches on astral heredity on a sample of over 75,000 subjects.

He's been holding seminars, courses and lectures in different universities and cultural centres in Italy and abroad.

He particularly deals with Predictive Astrology and Aimed Solar Returns. According to many colleagues he may be considered the greatest living expert of this sector. In fact not only he wrote a dozen of texts on this specific segment of the "Art of Urania" - he can also rely on an experience of more than 20,000 aimed birthdays (covering the years 1970 to 2007) that he suggested, whose outcomes he collected at an interval of one year.

He developed extremely advanced software packages for the study of Predictive Astrology, also projecting an innovative algorithm which is particularly useful for the dating of events within one year for individuals or groups of people.

He is deeply interested in informatics. Astrologically speaking, he followed the school of André Barbault.

He founded the school of the Active Astrology.
