# Exercises in Aimed Solar Returns from the Blog of **Ciro Discepolo** (93)

**Dear **Ciro**,**

Thank you for your quick response. I will definitely come back to ask your advice for my next Solar Return. My question is this: is there a pdf or e-book version of your book ("Aimed Solar and Lunar Returns") which I can buy?

I see that it is available in paperback on Amazon, but Canada post is really slow.

I also read in your other book that Saturn in 9th House of SR is bad for travel. Should I cancel my foreign trip for this year?

I had made arrangements to go to Spain in April to meet an older Scorpio man with whom I feel a romance may start. Is it possible that Saturn in 9th Scorpio of my SR symbolizes this man and is not a negative omen?

All my best, and thanks a million.

T from Teheran

**Book Description**  
Publication Date: **July 17, 2009**

English-speaking readers fond of Astrology already know the Author, thanks to his previous works - Transits and Solar Returns and Lunar Returns and Earth Returns, which have also been translated into several other languages. In a practice of almost forty years of astrological research, the Author has studied and guided over twenty thousand aimed birthdays; he has also published a dozen books specifically on Solar Returns and Lunar Returns. This is his fifth work in English - In this volume Ciro Discepolo deals with the second "resource" on which his Active Astrology is based (the first one being the aimed birthday): the so-called exorcism of symbols. In these pages the Author suggests to the Reader about what can be done when you cannot aim, i.e. actively relocate your birthday (either your Solar or Lunar Return) by a practical application of the notion of "activating" or "constellating" a symbol. For example, Ciro Discepolo claims that if you can not leave for an aimed birthday to avoid Saturn being placed in the 5th House of your next Solar Return, during the twelve months covered by the SR, you had better devote more time to your kids, help them in their studies or in their sporting activities, pay the fee to enrol them in a course, perhaps abroad, where they could learn new subjects and/or nurture and improve their condition in a broad sense. Planets by planet, House by House, this volume contains all the suggestions of the Author on the exorcism of symbols - a useful practice also in the case you do relocate your Solar and/or Lunar Returns: for example if you have willingly left some dissonant position in your map of Aimed SR or of Aimed LR, and you wish to lower the threshold of risk a little more, the volume also explains the philosophical and psychological roots justifying the practice of the exorcism of symbols.

... and your interpretation of Saturn in the 9<sup>th</sup> House of the Aimed Solar Return is correct!

Best regards.

**Master Ciro,**

Many greetings and best wishes for your wonderful activities! I would like your recommendation- I have spent my february lunar return in Cyprus as you advised and I am seeing the results.

Can you let me know if a lunar return in Dubai for March is suitable. I have a stellium in the 9th house (which I think is the only suitable position along with the third). Saturn is in the 5th but I can exorcise it.

Let me know your views. DOB 16.08.73.2.05 Trieste.

Anne Marie

**Dear Anne Marie,**

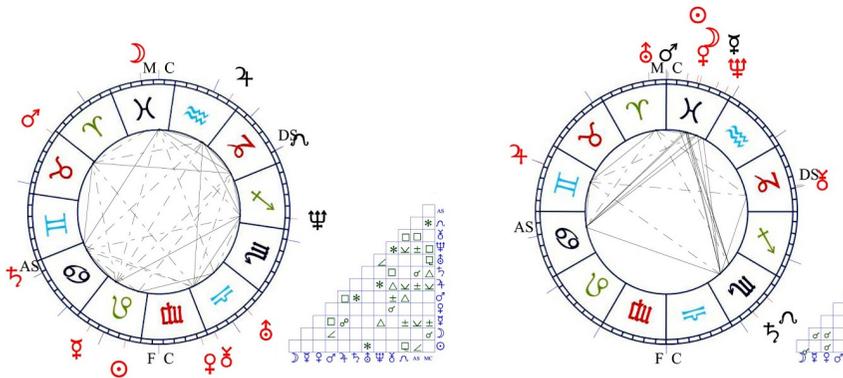

yes, you can stay to Dubai however I recommend you not to do it for

these reasons:

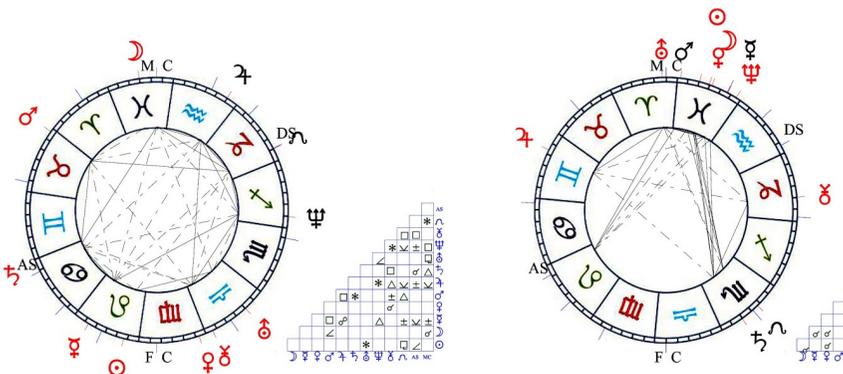

- You have a very elevated place in society and risk with to suffer a fall
- The Ascendant of the ALR in Dubai would have been falling in the First House and you for two years have suffered for strange troubles that have not been diagnosed with clarity yet
- You hold a lot to love and in Dubai you would leave Saturn in the 5<sup>th</sup> House

I recommend you to move more to North, to Ekaterinburg, in Russia, where you would eliminate all these drawbacks.

Many wishes.

## Dear Master Ciro,

Can you recommend a suitable lunar return for AP for March-DOB 18.09.54at 20.15pm Trieste.

She would like to strengthen the 6th and 7th sector (health, private and professional life). Thanks so much from the heart.

Anne Marie

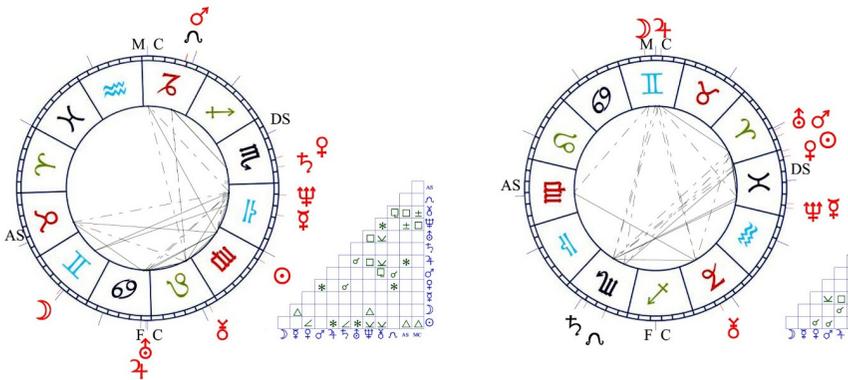

## Dear Anne Marie,

with A.P. we have to make an experiment because her schedule is critical for the ALR of next March.

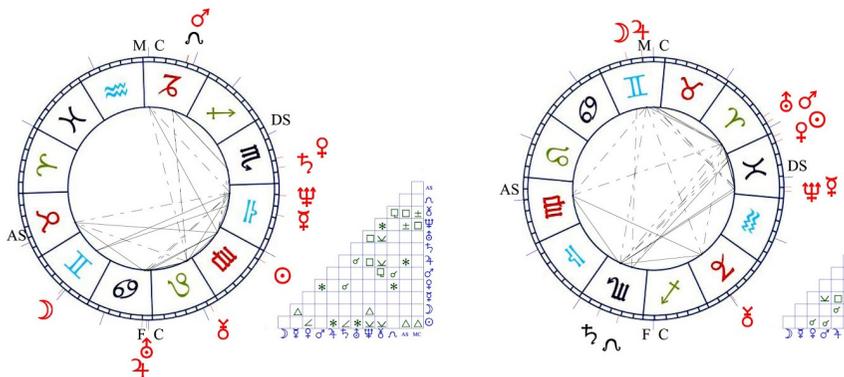

To us Jupiter goes very well closed to MC and Sun and Venus in the VII House, but we have to avoid both Mars in VII House that a stellium in the 8<sup>^</sup> House.

As the 90% of the Italian schedules of her year of birth have slightly rounded up, I suggest Geneva in Switzerland where Mars would go toward the 9<sup>^</sup> House and we have to hope that the Sun doesn't enter in the 8<sup>^</sup> House.

Many wishes to your mother.

### Dear Maitre,

As you advised (recommended) it to me, I made transported to Italy 19 and 20 February on 2013 (I was operated on February 11th). so that Mars is in house 11 and not 12 but it remains that Uranus is in 12 and Saturn in 7. I am afraid for my marriage.

If my husband makes a RS in September (he was born 07 09 1959 in Paris at 12:30 am) what is that it could avoid a divorce?

Thank you infinitely for your precious help

Marguerite of FRANCE (21 02 1959 at 07:40 am to Sorgues)

### Dear Marguerite,

brava! You have made the right thing. When you told me that you would not have departed, I understood that to convince you not to make this terrible thing, would have had to point out you toward a place closer to your home, to avoid at least Mars in 12<sup>^</sup> House that is a terrible position.

If I had wanted to also avoid Uranus in 12<sup>^</sup> (it is not terrible) and Saturn in the VII House, I would have had to recommend you a trip a lot away from your home and you would not have departed.

Now, if I put a beautiful Venus or a beautiful Jupiter in the VII House of

the Aimered Solar Return of your husband, I will increase the probabilities that he will meet a young woman and he will divorce from you. To this point I recommend you to exorcize a lot of your Saturn in VII House: bear a lot, you continually tell to your husband that loves him and that you want to stay the whole life with him, bear also some "stabbed in the back."

In short you suffer your VII House as, it is suitable in my book also translated in French: *Astrologie Active*. If you will succeed in maintaining this marriage up to the next birthday, I will study you a very good ASR for next year.

Many wishes.

Ciro Discepolo, an astrologer, journalist and writer, was born in Naples in 1948 (on the 17th of July, at 5:40 am).

He worked for twenty years at the most popular daily of Naples, *Il Mattino*, writing articles on science, medicine, informatics, literature and astrology. He always refused to cast the so-called 'horoscopes of

the solar signs' for that newspaper and for any other newspaper or magazine.

He worked (at 20 years old) for five years at the CNR (National Research Council) as Researcher Helper and, for two years, as Electronic Measures Laboratory's head in the Istituto Motori of Naples, CNR.

He has been dealing with astrology since 1970. He has written over 65 books, most of them best-sellers in Italy as well as abroad (France, the United States of America, Spain, Germany, Hungary, Slovenia and Russia). He has published also about 750 Astrology lessons on YouTube. In 1990 he founded the quarterly *Ricerca '90*, which he's been directing since then.

He's been doing statistical researches from the very beginning of his interest in astrology.

At the beginning of the '90s, he obtained very brilliant results with researches on astral heredity on a sample of over 75,000 subjects.

He's been holding seminars, courses and lectures in different universities and cultural centres in Italy and abroad.

He particularly deals with Predictive Astrology and Aimed Solar Returns. According to many colleagues he may be considered the greatest living expert of this sector. In fact not only he wrote a dozen of texts on this specific segment of the "Art of Urania" - he can also rely on an experience of more than 20,000 aimed birthdays (covering the years 1970 to 2007) that he suggested, whose outcomes he collected at an interval of one year.

He developed extremely advanced software packages for the study of Predictive Astrology, also projecting an innovative algorithm which is particularly useful for the dating of events within one year for individuals or groups of people.

He is deeply interested in informatics. Astrologically speaking, he followed the school of André Barbault.

He founded the school of the Active Astrology.
