Exercises in Aimed Solar Returns from the Blog of Ciro Discepolo (47)

Dear Ciro,

Sorry my last comment went Anonymous. My name is Nathalie and we exchanged emails last year on SR.

Calcutta for 2012 SR... wow I might then reconsider the dates for my stay in Thailand.

Would you regard Hilo as the best option in 2012 again or is there anywhere closer to Europe that would do the job?

Birth data: born nov. 3rd 1962 at 11:07 (11:09?) AM, n Lyon.

Thank you very much for your kind help. Nathalie

Dear Nathalie,

this, for Viti Levu Fidji Islands is good, indeed, for this year!

Suva Viti Levu Fidji Island For Nathalie 2012

Dear Ciro,

Fidji Viti Levu... wow. It seems my SR returns have a favourite for long distance flights and islands' atmosphere.

Thank you very much for answering my questions. I don't know if I can do it this year because this is something like a day and a half flying. We see what ahppens :-)

Again thank you for your kind help.

Regards from Paris

Nathalie

Dear Nathalie,

if you will plan in penny, you will receive penny. If you will plan in dollars, you will get dollars... Best wishes.

Dear Ciro,

I'm troubled with my son, especially as his coming SR isn't very promising at home. (born: July 22, 1994, 23:50, tel aviv).

I go through a difficult financial times and it'll be easiest for me to send him to the USA (mostly to the east coast where I have many people who could assist him).

What do you suggest?

Many thanks, Mordecai

Dear Mordecai,

I advise you Kuusamo, Finland, or Mo-I-Rana, Norway, that are surely

better and cheaper.

Many wishes.

Kuusamo Finland ASR 2012 For Mordecai's Son

Mo-I-Rana Norway ASR 2012 For Mordecai's Son

Dear Ciro,

my birthday is on may 2nd(second) 1977, born in the state of Sao Paulo, city of Sao Paulo, Brazil, at between 13:24 and 13:30.

Since my birthday is really close, I would like to kindly ask you to

please help me with the best solar return for me this year- mainly relationships, feeling good about myself (more optimistic) but in general too (work).

I will be 35 and have never been married/have children and would like to).

Thank you very much in advance for your help,

Viviane.

Welcome Viviane from Brazil!

I advise you to spend your next Aimered Solar Return to Guadalajara Jalisco Mexico, between 20-22 pm of May 1st (tomorrow).

This ASR values 10+ with splendid 5[^], 6[^] and VII Houses!

Best wishes!

Guadalajara Jalisco Mexico ASR 2012 For Viviane

Dear Ciro,

I hope i'm doing it right.

I'd like to know if I have my radix Asc in the 10th hs of SR.

But have also sun in 12 hs of SR and Venus and Mars in 1st hs. How will it ballance??

Also, does your system work for companies and countries?

Thanks, Mordecai".

Dear Mordecai,

we have to look separately the graphic radix and that of Solar Return. There is an only point that is considered in relationship to both the papers of the sky: where the Ascendant of Solar Return falls in comparison to the radix Houses.

Theoretically the system of the Aimers Solar Returns could work also for the societies and for the nations. For example, when it is reborn united Germany, it was born in Berlin and, in that instant, a different Solar Return was born in Berlin and not in Bonn.

The same could be worth for a society: we could be made to revive a company, contemplating well place and time to change its Solar Return of that year. But could we do this every year?

Many regards.

Dear Mordecai,

as I have written yesterday we have to read separately the two charts. The only element that ties the two graphs is where the Ascendant of Solar Returns falls in the radix Houses and not vice versa.

Nevertheless, to be able to answer better to your questions, should post here your birth data specifying: place, day, month, year and hour of birth.

Many regards

Hi Ciro,

I'm mostly interested in learning your system by doing first my own SR chart. I must learn what in my SR chart brought about your conclusions.

I'm waiting eagerly to receive the two books I've ordered from you on top of the one I already received hoping they will clarify this subject further.

I had a heavy SR the year before and underwent 3 heavy surgeries including two with my heart...

many thanks, Mordecai

Dear Ciro,

I wrote you couple of days ago. Perhaps you didn't get it. So here I go again. Intuitively I feel connected to your logic. It makes perfect sense to me.

I want to learn your system. I would like to know if my reading of my SR was wrong, and I would like to know what in my SR chart made you suggest me your advice. Was it Mars? was it the Sun the early degrees of the 12th house??

Also, I'm not sure how exact is my birth time. The one I use is what my mother remembers?!

I just received your second book and I immediately felt connected again to your logic as well as your addition to the blog about the time of birth.

Many thanks, Mordecai

Dear Mordecai,

I have published your post and I have read it, but I didn't respond to it because I thought there were no questions in your letter.

I answer now. Actually your last ASR breaks three of 33 important rules: the Sun is in 12 ^ House, Mars is in the 1^ House and 4 celestials are between the first and the twelfth House (Sun, Mercury, Venus and Mars).

Besides the AS of SR falls in the fourth House of birth chart and this can mean a hospital refuge for a surgical intervention.

That's because I recommended you to make a surgical intervention. This reenters in the concept of exorcism of the symbols: if you offer a "lamb" to the "gods", probably the "gods" will be less bad with you and they will be satisfied with a "lamb" rather than of a very hard year.

Remembers another thing.

In my book "Aimed Solar And Lunar Returns", when you read "Transit of Mars in the first House", the meaning is the same of "Mars in the first House of ASR."

Many wishes still.

Ciro Discepolo, an astrologer, journalist and writer, was born in Naples in 1948 (on the 17th of July, at 5:40 am).

He worked for twenty years at the most popular daily of Naples, *Il Mattino*, writing articles on science, medicine, informatics, literature and astrology. He always refused to cast the so-called 'horoscopes of the solar signs' for that newspaper and for any other newspaper or magazine.

He worked (at 20 years old) for five years at the CNR (National Research Council) as Researcher Helper and, for two years, as Electronic Measures Laboratory's head in the Istituto Motori of Naples, CNR.

He has been dealing with astrology since 1970. He has written over 65 books, most of them best-sellers in Italy as well as abroad (France, the United States of America, Spain, Germany, Hungary, Slovenia and Russia). He has published also about 750 Astrology lessons on YouTube. In 1990 he founded the quarterly *Ricerca '90*, which he's been directing since then.

He's been doing statistical researches from the very beginning of his interest in astrology.

At the beginning of the '90s, he obtained very brilliant results with researches on astral heredity on a sample of over 75,000 subjects.

He's been holding seminars, courses and lectures in different universities and cultural centres in Italy and abroad.

He particularly deals with Predictive Astrology and Aimed Solar Returns. According to many colleagues he may be considered the greatest living expert of this sector. In fact not only he wrote a dozen of texts on this specific segment of the "Art of Urania" - he can also rely on an experience of more than 20,000 aimed birthdays (covering the years 1970 to 2007) that he suggested, whose outcomes he collected at an interval of one year.

He developed extremely advanced software packages for the study of Predictive Astrology, also projecting an innovative algorithm which is particularly useful for the dating of events within one year for individuals or groups of people.

He is deeply interested in informatics. Astrologically speaking, he followed the school of André Barbault.

He founded the school of the Active Astrology.
