Exercises in Aimed Solar Returns from the Blog of **Ciro Discepolo** (48)

Hello **Ciro and nice to meet you, too!**

My birthdate is 2 July 1970 and I was born at 00:28 (12:28 AM) in New York City, NY, USA.

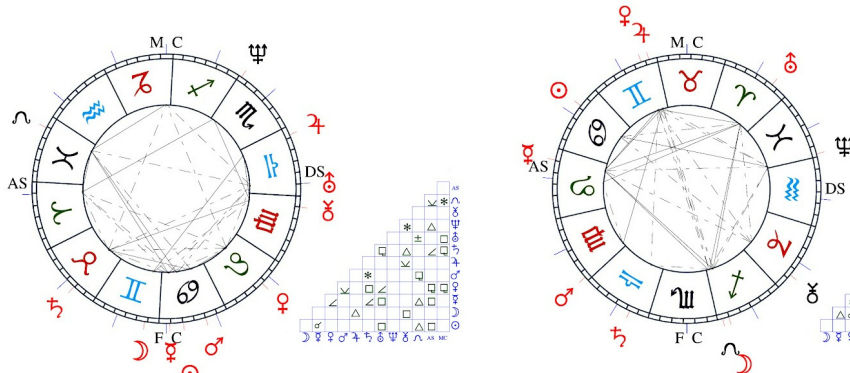

I am an actor and I am moving to Los Angeles in one month but my solar return chart in Los Angeles looks difficult. I need to travel for my birthday, and I was wondering if you had a suggestion as to where to spend my birthday this year. I'm having a hard time finding a good place to travel to.

Is Columbus, Ohio, USA okay, or do you think there's a better place?
Thanks!

Best, **Victor** from New York City

Dear **Victor,**

I advise you Sao Tome' Principe Island with a very good conjunction

Venus-Jupiter in the Tenth House and with Mars separated by Saturn.
Best wishes.

Dear Ciro,

Is there a very safe and easy place for your English readers to download
“Aladino”??

Thank you,
Michael

Dear Michael,

here you can get a 900 MB file to change in a DVD by Nero Burning,
but it is a Demo because I don't sell Aladino out of Italy. Best regards:

Dear Ciro,

I'm troubled with my son, especially as his coming SR isn't very
promising at home. (born: July 22, 1994, 23:50, tel aviv).

I go through a difficult financial times and it'll be easiest for me to
send him to the USA (mostly to the east coast where I have many people
who could assist him).

What do you suggest?
Many thanks, Mordecai

Dear Mordecai,

I advise you Kuusamo, Finland, or Mo-I-Rana, Norway, that are surely
better and cheaper. Many wishes.

Dear Ciro,

my birthday is on may 2nd (second) 1977, born in the state of Sao Paulo, city of Sao Paulo, Brazil, at between 13:24 and 13:30.

Since my birthday is really close, I would like to kindly ask you to please help me with the best solar return for me this year- mainly

relationships, feeling good about myself (more optimistic) but in general too (work).

I will be 35 and have never been married/have children and would like to.

Thank you very much in advance for your help, Viviane.

Welcome Viviane from Brazil!

I advise you to spend your next Amed Solar Return to Guadalajara Jalisco Mexico, between 20-22 pm of May 1st (tomorrow).

This ASR values 10+ with splendid 5[^], 6[^] and VII Houses!

Best wishes!

Guadalajara Jalisco Mexico ASR 2012 For Viviane

Dear Ciro,

Fidji Viti Levu... wow.

It seems my SR returns have a favourite for long distance flights and islands' atmosphere.

Thank you very much for answering my questions.

I don't know if I can do it this year because this is something like a day and a half flying. We see what happens :-)

Again thank you for your kind help.

Regards from Paris

Nathalie

Dear Nathalie,

if you will plan in penny, you will receive penny.

If you will plan in dollars, you will get dollars...

Best wishes.

Dear Ciro,

I am now reviewing options for June and July aimed lunar returns, and although it isn't the ideal choice, for June I have selected Juneau due to the fact that with my work schedule I cannot go very far.

For July, Palm Springs, CA.

Thank you for reviewing my choices.

John from Buffalo

Dear John,

your choice for July Palm Springs is perfect!

Instead I don't advise you to spend the June ALR in Juneau replacing an Ascendant in the 12[^] House with a stellium in the 12[^] House.

I advise you Temuco, Chile, or to stay in Buffalo.

Best regards.

Dear Ciro,

As I do not want to make the error not to travel to the recommended

place for ASR (I couldn't go for the last ASR of 2012) I am seeking your help quite in advance.

One of the reasons for not being able to travel was that the serendipitous day I found your work was only couple of days before my SR.

And, thus in the spirit of planning ahead I have started studying your books (also to find tentative suggestions for ASR 2013).

I also have following queries, regarding the present year and the coming SR of 2013 and will be grateful for your guidance -

1) I stopped my doctoral studies few years back and have been trying to find my calling (yes I understand that the phrase sounds grandiose but it does address the depth of my desire to find an area where I can make certain fulfilling contribution). Can you help me to point out towards certain areas which you think might be better suited to me due to my natal chart disposition.

2) I am thinking of switching to psychology/psychotherapy and start formal studies, even though I do not have formal degree in the subject (I was trained in hard sciences). Can you advise me as to how I can maximise my potential for this, in the present year? Also where should I aim my SR for this in 2013?

3) Any ASR 2013 suggestion regarding the emotional/relationship fulfillment will be greatly appreciated.

As always - my sincere regards for your time and helpful spirit.

thanks, A

Dear Alfred,

I think that you have to study music or singing because the two very musical signs are Aquarius and Taurus.

You have a stellium, with the Sun, in the 11th House (Aquarius), the Moon and Venus in Taurus, Venus dominant in Taurus closed to the Ascendant, Pluto in the 5th House (the show) and Saturn in the second House (Taurus) means that you will arrive in delay to the target.

For your next Aimed Solar Return observe the following chart.

Best wishes.

Ciro Discepolo, an astrologer, journalist and writer, was born in Naples in 1948 (on the 17th of July, at 5:40 am).

He worked for twenty years at the most popular daily of Naples, *Il Mattino*, writing articles on science, medicine, informatics, literature and astrology. He always refused to cast the so-called 'horoscopes of the solar signs' for that newspaper and for any other newspaper or magazine.

He worked (at 20 years old) for five years at the CNR (National Research Council) as Researcher Helper and, for two years, as Electronic Measures Laboratory's head in the Istituto Motori of Naples, CNR.

He has been dealing with astrology since 1970. He has written over 65 books, most of them best-sellers in Italy as well as abroad (France, the United States of America, Spain, Germany, Hungary, Slovenia and Russia). He has published also about 750 Astrology lessons on YouTube. In 1990 he founded the quarterly *Ricerca '90*, which he's been directing since then.

He's been doing statistical researches from the very beginning of his interest in astrology.

At the beginning of the '90s, he obtained very brilliant results with researches on astral heredity on a sample of over 75,000 subjects.

He's been holding seminars, courses and lectures in different universities and cultural centres in Italy and abroad.

He particularly deals with Predictive Astrology and Aimed Solar Returns. According to many colleagues he may be considered the greatest living expert of this sector. In fact not only he wrote a dozen of texts on this specific segment of the "Art of Urania" - he can also rely on an experience of more than 20,000 aimed birthdays (covering the years 1970 to 2007) that he suggested, whose outcomes he collected at an interval of one year.

He developed extremely advanced software packages for the study of Predictive Astrology, also projecting an innovative algorithm which is particularly useful for the dating of events within one year for individuals or groups of people.

He is deeply interested in informatics. Astrologically speaking, he followed the school of André Barbault.

He founded the school of the Active Astrology.
