# Exercises in Aimed Solar Returns from the Blog of **Ciro Discepolo** (59)

**Dear **Ciro**,**

I want to tell you the legal problems regarding the custody and child support for my 1 yr old daughter are now resolved.

The judge ruled in favor of me and I feel as though a veil has been lifted. Thank you for your support. Best wishes to you and your loved ones.

Julie.

**Dear **Julie**,**

I am very happy for these excellent news.

Your daughter is the virtual mascot of this blog and the Readers of it have almost all sent you positive thoughts and wishes.

All except three-four bad and stupid readers, but as you know, the wickedness is stateless.

Often send us your news and ask to us advises every time that you desire it, but you are by now a very good colleague in the field of Active Astrology.

Best wishes.

**Dear **Sir**,**

I am a new student of learning the technique of Solar returns and your

website had helped me greatly to understand the technique. I hope you are able to help me with my solar return for 2013.

I live in Melbourne, and I am getting married this October. The upcoming solar return for 2013 looks gloomy. I don't know if I should spend my 2013 birthday in Melbourne or my place of birth Singapore.

In Melbourne, I have natal 5th house intercepted in the solar return 12th and natal 11th house intercepted in the solar return 6th house. Also Solar return saturn and natal saturn in the solar return 12th house. Solar return mars conjunct solar return IC, square solar return saturn. Solar return 8th house intercepted in the natal 1st house. Solar return Uranus in the 5th house square solar return venus and moon. Solar return ascendant conjunct natal jupiter.

I don't know if this all points to unexpected pregnancy and miscarriage.

In Singapore however, no interceptions, but solar return ascendant in natal 4th house and square natal neptune. Also saturn is in the solar return second house square mars in the 5th. Does this mean probably pregnancy still and frustration due to inability to work and earn income instead?

My Birthdate: 11/01/1983, time : 5:02 pm, location of birth: Singapore, Singapore, current location: Melbourne, Australia I hope you can help me Sir. Thank you for your time.

Warm regards,

Michelle

## **Welcome Michelle from Australia!**

I had to sweat a little with your birth data because you wrote that you was born at 5:02: it, in Italy, means 5:02 am and instead only after checking my regimes times database and after some more testing, I realized that you are born 17.02.

You are welcome in this blog and I will be very happy to give you my advice, downstream of 42 years of practice and 25,000 Aimed Solar Returns that I drove for me and for others.

I may do so, however, only if we speak the same astrology language. In fact you quote rules that are followed by only a small minority of scholars that refers to an author who never made a single Aimed Birthday in his life.

So I advise you first to study three of my core books (not all of the more than 70 books published by me). See them below and you can get them from [www.Amazon.com](http://www.Amazon.com) or, probably, from [Amazon.co.au](http://Amazon.co.au). Next year will come my other interesting books.

And now we look at your situation. You can not spend your next birthday in Melbourne because would break one of the top 30 rules that should not be broken: the Ascendant of the Solar Return will fall in your Sixth House of birth!

Also the birthday for Singapore is not good because the Ascendant of the Aimed Solar Return would fall into the First House of birth and this breaks another of the 30 basic rules of my school (Active Astrology).

Unfortunately, I have long studied your case and I do not recommend trying to become pregnant between birthday 2013 and birthday 2014: for there is no place in the world where I could locate Venus or Jupiter in your Fifth House. The risks of abortion would be very high. My advice is to wait for the birthday 2014/2015 and to go to Gisborne, New Zealand, where you'll have the important support of Jupiter on the cusp of the Fifth House.

To watch the charts enlarged, click on them. To read what location they refer you hover your mouse on the charts and read on the right and on the bottom of the screen the name of the place. If you can not read it, use Google Chrome as a browser and see all.

Many greetings.

**Dear Ciro,**

Hope you are well. I was thinking about probable places for my next aimed SR (april 2013).

What do you think about Lowestoft, UK? It seems to place 5 planets on the 11th house.

thanks, Alfred

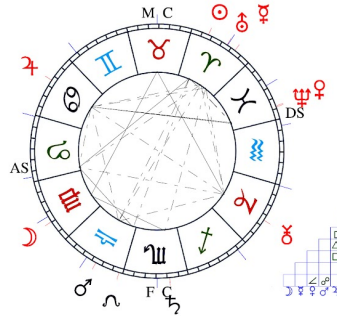

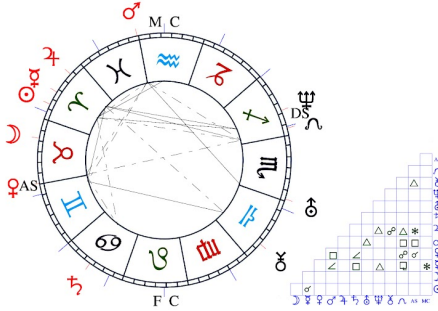

my birth details - april 13, 1975, 8.10am, 26n28 80e20, +5.5 (India)

**Dear Alfred,**

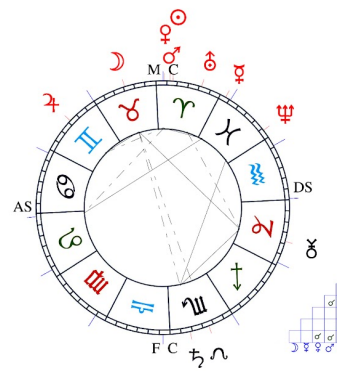

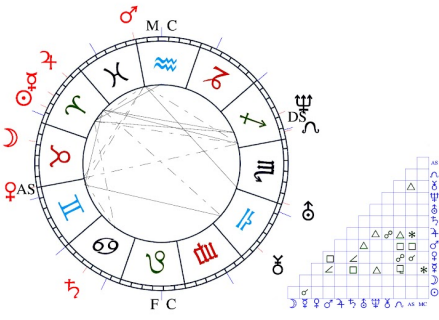

your Aimed Solar Return that you have chosen for yourself could go, but it is quite mediocre.

What do you think about the others that I had chosen for you?

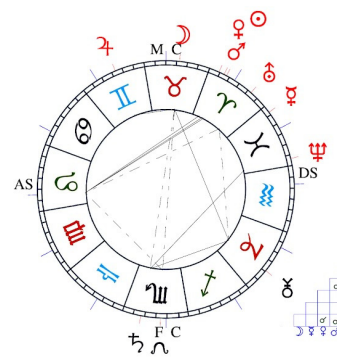

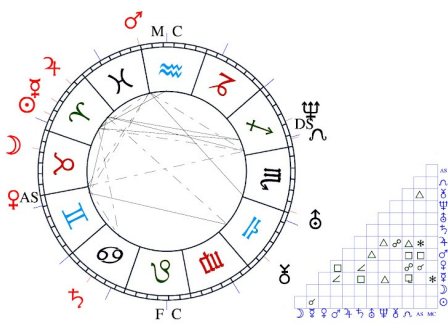

Many wishes.

**Dear Sir,**

thank you for replying to my post-pregnancy and prevention of miscarriage. I checked my solar return for 2013/2014 for Singapore and through the astrodiensst extended chart selection, my solar return ascendant is in my natal 4th house, not my first natal house.

So would that mean it will still be better to spend my birthday in Singapore for 2013/2014?

Thank you for your book references.

Warm regards,

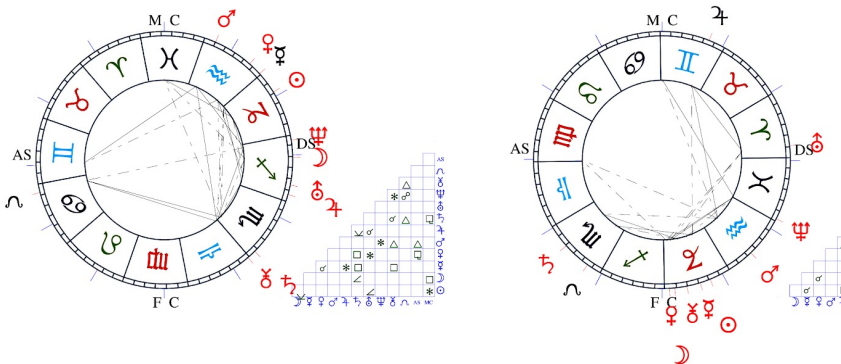

Michelle

**Dear Michelle,**

what you write is true, but yesterday I had too many graphs to publish and so I have published Singapore 2012 instead of Singapore 2013. Nevertheless I had studied Singapore 2013: it is very worse than Singapore 2012 because it has Mars in the V^ House, the worse position to try to make to depart a pregnancy.

I recommend you to follow the suggestions that I have given you yesterday.

Many wishes.

**ASR Singapore 2013 For Michelle**

**Dear Sir,**

I am very grateful that you are helping me with my up and coming solar return. From your previous e-mail, I should not spend my next birthday in Singapore or Melbourne, Australia.

Would Adelaide, Australia be a better choice instead, as the

- solar return ascendant would fall in the 5th natal house instead of the 6th and

- solar return mars is in the 4th house,

- solar return saturn in the 12th house(not ideal but I suppose not as bad as mars in the 5th for my case)

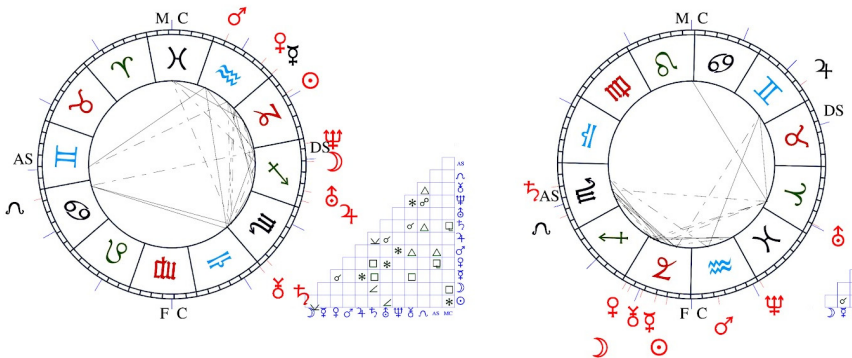

Also if I were to relocate for my next solar return, how many days prior and after the birthdate should I allow. Eg my birthday is on the 11/01/1983, then would it be 24 hours or 48 hours before the actual day I should travel and reach my place of destination. How many days after should I stay in the place?

I am convinced and I am very determined to try to minimise the negative effects of next solar return as besides you sir, another lady who specialises in Feng shui had warned me about possible miscarriage and hospitalisation in 2013.

I thank you once more for your time and efforts to go through my case.

Warm regards,

Michelle

**ASR Adelaide 2013 For Michelle**

**Dear Michelle,**

the choice of Adelaide is better than the other choices, but it is not good.

Uranus in 5<sup>^</sup> House can favor a lot of a beginning of pregnancy but Neptune in 5<sup>^</sup> makes us think that you will be worried about to lose your child.

To Adelaide we don't succeed in positioning Jupiter or Venus in the 5<sup>^</sup> House and we don't succeed in even protecting well your health: in fact enough narrow Saturn at the Ascendant is a danger of abortion.

I again recommend you to attend the birthday 2014 to spend where I wrote you.

Best wishes.

Ciro Discepolo, an astrologer, journalist and writer, was born in Naples in 1948 (on the 17th of July, at 5:40 am).

He worked for twenty years at the most popular daily of Naples, *Il Mattino*, writing articles on science, medicine, informatics, literature and astrology. He always refused to cast the so-called 'horoscopes of the solar signs' for that newspaper and for any other newspaper or magazine.

He worked (at 20 years old) for five years at the CNR (National Research Council) as Researcher Helper and, for two years, as Electronic Measures Laboratory's head in the Istituto Motori of Naples, CNR.

He has been dealing with astrology since 1970. He has written over 65 books, most of them best-sellers in Italy as well as abroad (France, the United States of America, Spain, Germany, Hungary, Slovenia and Russia). He has published also about 750 Astrology lessons on YouTube. In 1990 he founded the quarterly *Ricerca '90*, which he's been directing since then.

He's been doing statistical researches from the very beginning of his interest in astrology.

At the beginning of the '90s, he obtained very brilliant results with researches on astral heredity on a sample of over 75,000 subjects.

He's been holding seminars, courses and lectures in different universities and cultural centres in Italy and abroad.

He particularly deals with Predictive Astrology and Aimed Solar Returns. According to many colleagues he may be considered the greatest living expert of this sector. In fact not only he wrote a dozen of texts on this specific segment of the "Art of Urania" - he can also rely on an experience of more than 20,000 aimed birthdays (covering the years 1970 to 2007) that he suggested, whose outcomes he collected at an interval of one year.

He developed extremely advanced software packages for the study of Predictive Astrology, also projecting an innovative algorithm which is particularly useful for the dating of events within one year for individuals or groups of people.

He is deeply interested in informatics. Astrologically speaking, he followed the school of André Barbault.

He founded the school of the Active Astrology.
