Exercises in Aimed Solar Returns from the Blog of Ciro Discepolo (75)

Dear Ciro,

thank you for all your extraordinary work for us humble bloggers.

I would like to ask about investing money. Jupiter is transiting my first house until June 2013.

My 2013 ASR (Timaru, New Zealand) will place Venus in second house. I am really hoping I will have a "money year" in 2013.

Should I wait until my 2013 ASR to invest money? How/when can I take advantage of this? Thank you sir. Birth data Feb 24, 1968.

Oshkosh, WI, USA 10:24 AM. Julie.

Dear Julie,

when I work for simple and splendid people as you, for me is indeed a pleasure to do this!

You have economic difficulty and you accept my suggestion to go to spend your next birthday in New Zealand: it doesn't in relation with religious faith, but of study of the thousand of cases that you read on this blog.

All people can read, but few succeed them in seeing. The mental blindness is very worse indeed of that physics.

You will receive money in June 2013, after your Aimed Solar Return to Timaru and after your Aimed Lunar Return of May 28th to Halifax Canada (don't be afraid for the ugly positions, to us it interests to realize a good full in the 2nd House) and with Venus that in June will transit your second House of birth.

I am thinking about writing a brief book, above all for the American market, with many suggestions on as to increase own money.

However I have to finish first some books that are keeping busy a lot me and then it will depend on the course of the sales of my books in 2013: as you know, when the economy is in difficulty, very less books are bought because it needs first to pay the food, the electric energy, the heating, the gasoline, etc.

If a day I will return to the zones of Minneapolis for an ALR, I will warn you so we can organize a small conference for your citizens.

A dear regard.

Dear Ciro,

Would Flores, Azores be a good SR option for my sister in 2013?

What can you say about this chart?

She wants to travel more and relocate to another country.

Data: 22. Jan.'84, 1:30am, Campulung,Romania

Best wishes, Georgiana

Dear Georgiana,

Flores is a good ASR to travel, but it is quite negative for money, love, etc. I advice you Rio Grande, Terra del Fuego, Argentina: 100 times better.

The cost is almost the same, departing from Rome by Aerolineas Argentinas.

Best wishes.

Dear Ciro,

My birthday is on October 3rd 1954 and I was born in Akron,Ohio at 8:53pm (this is the time on my birth certificate).

I am a single mother of 4 children (my son Mark passed away 12 years ago) and currently live in Rome Italy.my children want to study in the States and in fact one son moved to Santa Barbara in August and is very happy there!

I am seeking your advice for relocation and mone of my priorites is financial independence and being able to help support my children go through college.

I look forward to hearing from you.

Warm regards,

Laura Antinucci

Dear Laura,

for your Relocation I advice you Apia, Samoa Icelands. For your Aimed Solar Return 2013 I advise you Elista, Russia, airport code ESL.

Venus is not on the cusp; Saturn is not on the cusp, the Ascendant is not on the cusp.

Best wishes.

Dear Ciro,

Thank you for your advice regarding money. May I ask another question similar to my previous post?

I will place Jupiter in my 5th house of 2013 ASR to continue to enjoy my daughter and maybe find love.

If I understand you correctly, the best time for me to find love would be while Venus is transiting my 5th house late July-late August 2013.

Can you suggest any locations in USA for my two Lunar Returns July 27 and August 18, 2013 please? Thank you again Ciro!

Julie (Feb 24, 1968, oshkosh, WI 10:24am)

Dear Julie,

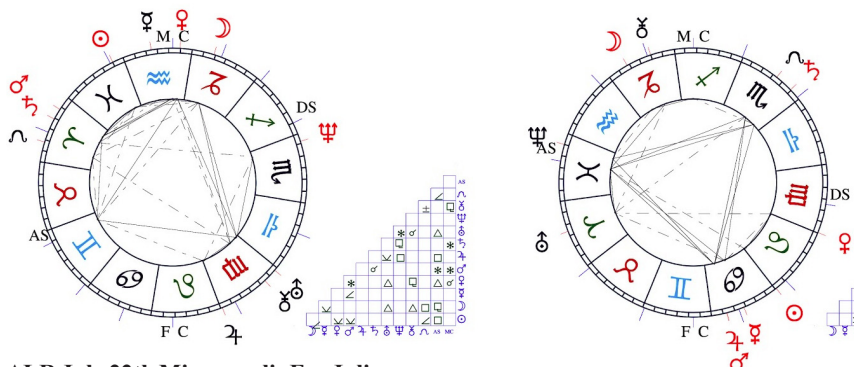

I advise you with pleasure. Your ALR of July is on 22th and not on 27th, about 29 days before the one of August 18th.

For the first I suggest to you Minneapolis (we avoid Saturn in the VII House, we have Sun and Mercury in the 5[^] House and we put a powerful Pluto in the X House).

For August I suggest Washington DC where we put the Ascendant in the 5[^] House of birth, Jupiter joined to MC, Venus joined to the Ascendant but not on the cusp and cutting off the Sun from the 12[^] House!

Add to all Uranus in the VII House.

Best wishes.

Dear Ciro,

I have returned from Easter Island, and I enjoyed the trip. I now look to 15 Dec ALR and wonder if it is dangerous to stay home, maybe Stockholm would be better?

Thank you for your warm recommendations and wishes.

John from Buffalo

Dec 7, 1964, Buffalo, 9:41 PM

Dear John,

welcome back from this fascinating journey!

I advise you to go to Stockholm only if you have to conclude a great deal in this Aimed Lunar Return.

In the contrary way, it is not a good thing to move yourself so much placing the Ascendant in the first House of the Natal Chart.

I think that you can stay in Buffalo.

Best regards.

Dear Master Ciro,

As per your recommendations I will be travelling to Kuopio, Finland for my next Lunar Return (December) in order to strengthen my 7th and 1st house spheres.

I thought there were no direct flights to Finland and then as if by magic a set of circumstances emerged and all appears in place- I hope no snow storms near the date!

Can you please provide advice on my partner's horoscope (16. Nov. 67, West allis, Wisconsin at 1.43 am) (mine is 16.august.1973. at 2.05 am Trieste). How do you regard our synastry and how to exorcise his saturn opposition venus?

Your respectfully, Anne Marie

Dear Anne Marie,

very well!

The score with your fiance is a full 19 points not stained by a bad aspect Mars-Sun-Moon-Ascendant between you. His Saturn in VII in opposition to Venus is very heavy, but I know a beautiful couple that travel from over 20 years with a similar aspect: they live in different countries and they meet themselves only during the weekends.

If you will stay with him a few days every month, you could live forever this Love. Best wishes.

Ciro Discepolo, an astrologer, journalist and writer, was born in Naples in 1948 (on the 17th of July, at 5:40 am).

He worked for twenty years at the most popular daily of Naples, *Il Mattino*, writing articles on science, medicine, informatics, literature and astrology. He always refused to cast the so-called 'horoscopes of

the solar signs' for that newspaper and for any other newspaper or magazine.

He worked (at 20 years old) for five years at the CNR (National Research Council) as Researcher Helper and, for two years, as Electronic Measures Laboratory's head in the Istituto Motori of Naples, CNR.

He has been dealing with astrology since 1970. He has written over 65 books, most of them best-sellers in Italy as well as abroad (France, the United States of America, Spain, Germany, Hungary, Slovenia and Russia). He has published also about 750 Astrology lessons on YouTube. In 1990 he founded the quarterly *Ricerca '90*, which he's been directing since then.

He's been doing statistical researches from the very beginning of his interest in astrology.

At the beginning of the '90s, he obtained very brilliant results with researches on astral heredity on a sample of over 75,000 subjects.

He's been holding seminars, courses and lectures in different universities and cultural centres in Italy and abroad.

He particularly deals with Predictive Astrology and Aimed Solar Returns. According to many colleagues he may be considered the greatest living expert of this sector. In fact not only he wrote a dozen of texts on this specific segment of the "Art of Urania" - he can also rely on an experience of more than 20,000 aimed birthdays (covering the years 1970 to 2007) that he suggested, whose outcomes he collected at an interval of one year.

He developed extremely advanced software packages for the study of Predictive Astrology, also projecting an innovative algorithm which is particularly useful for the dating of events within one year for individuals or groups of people.

He is deeply interested in informatics. Astrologically speaking, he followed the school of André Barbault.

He founded the school of the Active Astrology.
