Exercises in Aimed Solar Returns from the Blog of Ciro Discepolo (78)

Dear Ciro,

Please help with the next solar return (2014) for Ravi. He is headed to moscow, russia as advised by you for 2013.

But as I look into 2014, I cannot seem to take advantage of the stellium of sun,pluto,Mercury and Venus as when I put them in 9th or 10th house, I get the Ascendant in 12th or 1st house.

If I move Jupiter to 10th, then I have mars and uranus in dangerous positions. Can you please guide me with this solar return?

Merry Christmas to you, your fans and family.

Regards.

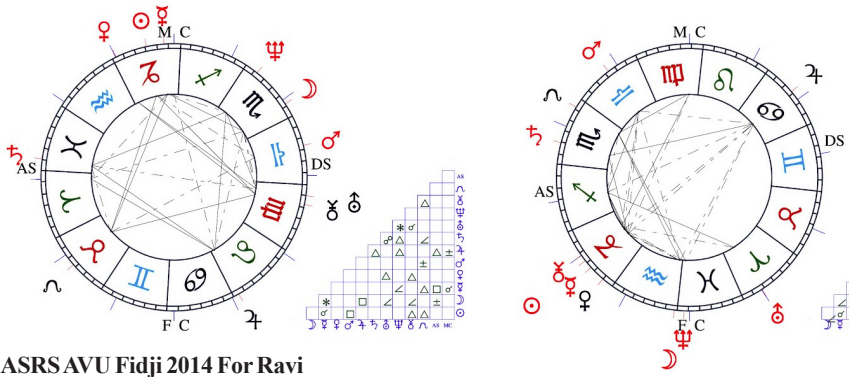

Neena

Dear Neena,

theoretically we could put the stellium quoted by you in the X House of Ravi in his Aimed Solar Return in 2014 in Greenland but in this way we will obtain Mars and Saturn in the 8th House and this is absolutely not possible.

I recommend instead this Aimed Solar Return of Suva, Fiji Islands, where he will have a magnificent stellium in 2nd House that will help him financially. The positions of Mars and Saturn in 11 ^ 12 ^ House are not too dangerous. Recommend Ravi to reach the islands of Fiji a few days in advance.

Many good wishes to you and to your Family.

Thank you Ciro for taking the time to reply.

Merry christmas! Neena

Hi Ciro

I really need advice on where to spend my next solar return. This year has been terrible for me!

Here are my details:

22/09/1975 Enfield, England at 5.00pm.

I really want to have love/romance in my life.

Would Athens or Istanbul as an ASR for 2013?

Anonima from England

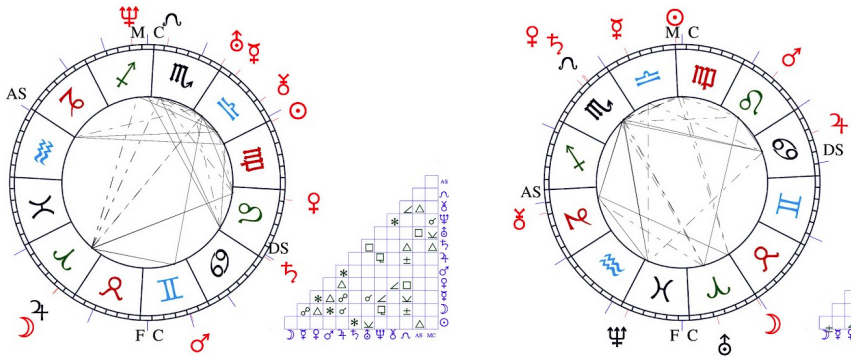

Dear Anonima,

you got a terrible year because in the last Aimed Solar Return you had the Ascendant in the radix 12[^] House: it is terrible!

Some mediocre Italian astrologers say that the Ascendant in the 12th House is wonderful, but they do not understand anything about Astrology.

For your next Aimed Solar Return I advise you Reao Island, Tuamotu, French Polynesia that for 2013 birthday is the best considering that we cannot put Venus and Saturn in the 5[^] House.

Best regards.

Wow!

Thank you very much Ciro

French Polynesia here I come!

Happy 2013. Hope it brings you nothing but the best.

Best wishes

Sara xx, England

Very well, Sara:

all the best!

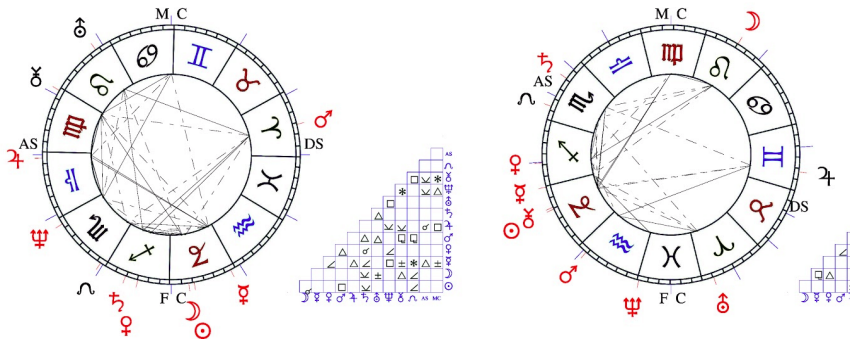

Hi Ciro,

My sister, born 31/12/56, 23:00 Tel Aviv, will celebrate her current birthday in New York.

What location will you suggest for her, preferably in the US? thanks,
Mordecai, Tel Aviv

Dear Mordecai,

this is quite good. Best regards.

Dear Ciro,

I am working on the solar return for November 19th 1970 born in ambala, india at 5:50am for 2013.

I have Canary Islands, Spain and funchul, portugal which look reasonable. But I would have liked to move Mars completely into 9th and Pluto away from the ascendant.

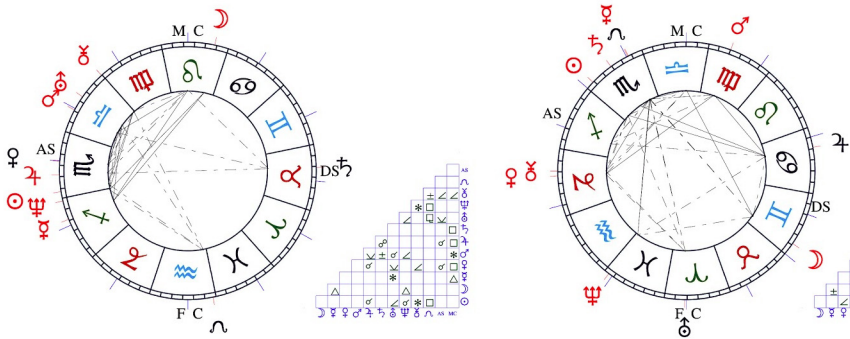

What are your thoughts on this return. Please advise.

Thanks.

Neena

Dear Neena,

I think that the solution chosen by you is quite weak, but if that's what you want, then the location is the island of Horta in the Azores. Many greetings.

ASR 2013 Horta Acores Portugal For Anonimo

Dear Ciro,

Can you please elaborate why you think that the solar return is weak? What is your recommendation?

Thanks. Neena

Dear Neena,

we aim a Solar Return to enhance a X House or money, health, love, etc..

But the ASR that you had chosen was weak because did not place a single point of excellence in the areas I have just mentioned.

Many greetings.

Dear Master Ciro,

I hope you had a wonderful Xmas.

I wanted to let you know that the last Lunar Return you recommended has started having its effects and I am feeling the positive effects of 1st house sphere.

I would be grateful if you could recommend a Lunar Return for January 2013. I have been invited to join friends in Phuket.

Would this be acceptable for the January LR- although Mars would be in the 6th but a powerful Stellium in the 5th and one can exorcise Mars? Would Dubai be better? Or which other location would be best.

The focus is the 1st/6th 5th/7th? DOB 16/08/73 2.05 AM Trieste.

Have a lovely weekend.

Respectfully,

Anne Marie

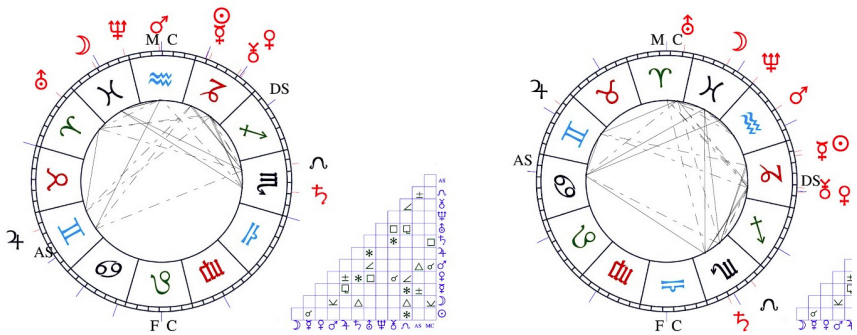

Dear Anne Marie,

I am glad that your last ALR has helped you. I suggest you do not have to go to Phuket where would the Sun and Mars in the 6th House.

You could stay in Dubai even if in your city you'd take a bad ALR for love. The maximum, if your time of birth is accurate, is the location that you see below.

If Saturn falls in 5th house, then you would have a month bad and not good for love and we have to think that you were born before 2.05.

Many greetings.

Dear Ciro,

I ask this for a friend of Julie. She can either be in Santa Rosa, California

or Oshkosh, Wisconsin her 2013 SR. Neither is good but I think Santa Rosa is worse because of Saturn in 10th house.

Alternatively, if there is a major airport in USA that is good, maybe I can convince her to route her flight that way. Please comment.

Thank you very much! 19:08 March 19, 1970. Oshkosh, WI.

Anonimo

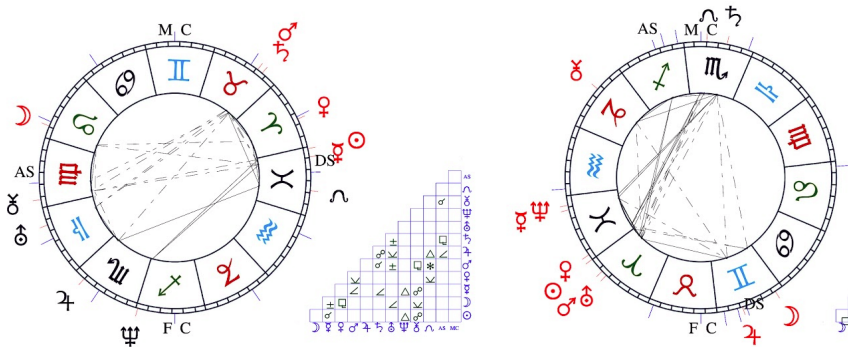

Forgive me if I wrote birth time wrong for friend of Julie. It is 17:08 (5:08 pm)

Dear Anonimo,

in the USA is not possible, but the Aimed Solar Return for Repulse Bay, Nunavut, Canada, is wonderful!

Be careful, though: you have to be very close to the airport!

Best regards.

Ciro Discepolo, an astrologer, journalist and writer, was born in Naples in 1948 (on the 17th of July, at 5:40 am).

He worked for twenty years at the most popular daily of Naples, *Il Mattino*, writing articles on science, medicine, informatics, literature and astrology. He always refused to cast the so-called 'horoscopes of

the solar signs' for that newspaper and for any other newspaper or magazine.

He worked (at 20 years old) for five years at the CNR (National Research Council) as Researcher Helper and, for two years, as Electronic Measures Laboratory's head in the Istituto Motori of Naples, CNR.

He has been dealing with astrology since 1970. He has written over 65 books, most of them best-sellers in Italy as well as abroad (France, the United States of America, Spain, Germany, Hungary, Slovenia and Russia). He has published also about 750 Astrology lessons on YouTube. In 1990 he founded the quarterly *Ricerca '90*, which he's been directing since then.

He's been doing statistical researches from the very beginning of his interest in astrology.

At the beginning of the '90s, he obtained very brilliant results with researches on astral heredity on a sample of over 75,000 subjects.

He's been holding seminars, courses and lectures in different universities and cultural centres in Italy and abroad.

He particularly deals with Predictive Astrology and Aimed Solar Returns. According to many colleagues he may be considered the greatest living expert of this sector. In fact not only he wrote a dozen of texts on this specific segment of the "Art of Urania" - he can also rely on an experience of more than 20,000 aimed birthdays (covering the years 1970 to 2007) that he suggested, whose outcomes he collected at an interval of one year.

He developed extremely advanced software packages for the study of Predictive Astrology, also projecting an innovative algorithm which is particularly useful for the dating of events within one year for individuals or groups of people.

He is deeply interested in informatics. Astrologically speaking, he followed the school of André Barbault.

He founded the school of the Active Astrology.
