Exercises in Aimed Solar Returns from the Blog of [Ciro Discepolo](#) (87)

Dear Master,

I have studied the Samara chart and it is very good.

As explained, not sure I can reach the destination. As an alternative what do you think of Larnaca, Cyprus.

I am expeting some financial incomings and wanted to maximise the financial potential - pluto and venus in the second should be suitable and jupiter is on the cups of the 6th and the 7th.

Let me know your views (16.08.73/trieste.2.05am).

If I stay in Dubai, I have already read all the relevant section in your book solar and lunar returns which I bought on Amazon.

Warmest wishes

Anne Marie

ALR Larnaca Cyprus For February 2013 For Anne Marie

Dear Anne Marie,

Larnaca in Cyprus will do.

Now that you have the right book read well as exorcise Jupiter in the Seventh House: because now you're okay to love and in the relationships with your important multinational ownership and you have to be careful bistable effect of Jupiter in the VII House.

Exorcise ...

A warm greeting.

Dear Bloggers,

yesterday we reached a new milestone: 600,000 page views in this blog!

It's a success for all of us who love the Active Astrology, but mostly we love Astrology!

We'll try to do better, in the future, never to offend the Art of Urania!

Dear Maestro,

Please allow me first to thank you for teaching me the real language of

astrology. Through your no-nonsense direct approach to astrology has become my inner language. Thank you.

While at that. A young woman with a sensitive chart (and a very talented young artist and writer) is facing a very unpleasant SR in coming march.

She was born on 26 March 1984, 6:45 pm in Tel Aviv.

Also in case she won't be able to afford and take an ASR, what of her SR chart demands most attention in exorcising the symbols?

Your concept of exorcism was a mind-blowing understanding for me as it made 100% perfect sense to me.

Many thanks,

Mordecai

Dear Mordecai,

It is always a pleasure to read your posts.

I believe that when you meet the Active Astrology you have become a wiser man, and now have the keys that allow you to read more about the lives and the world.

I am very satisfied.

For your young friend, unfortunately, there is not the opportunity to exorcise the symbols for her next Aimered Solar Return: it is heavy in every direction and the exorcism of symbols helps us to eliminate the 20/25% of negativity.

In this case it is too little and let this young artist and literate be in a situation too dangerous.

I advise a lot Saint John's, Newfoundland, Canada, which is a journey not too expensive.

There is a direct flight from London and in about 6 hours she can reach the place, by Air Canada. I hope you convince her to leave and be there from 15 to 17 on March 26th.

Many good wishes.

Dear Ciro,

the Official Birth Certificate of my wife was registered 14h05, but we know it can be possible that she was born earlier than that.

For the ASR in Falksand Island, Saturn is 3 degrees next to 5th house . if perchance she was born only five minutes before, then Saturn would almost cusp! Should we worry about it? What are your suggestions?

Thank you so much!

Jose Jorge Jr. from Brazil

Her Birth: April 1, 1976, at 14:05, Porto Alegre, Brazil

Dear Jeorge,

if you think that your wife was not born at 14.05, then I see only two alternative chances.

The first is to move with a fishing boat east of Stanley.

I may calculate the sea point if you tell me that you found someone who will get you there.

Otherwise advise Fernanda to go to Alert, Nunavut, Canada, where the margin of safety is very great! Pluto and the Moon in 5^

House does not worry us.

Many greetings.

Hello Ciro!!!

I am currently working in a hospital and would like to change my profession,,,(although I am conflicting wether in psychology field and become a professor in the future, or go to law school) I would like to go back to the university full-time and but still continue picking-up shifts in the hospital....

DOB is Feb 7, 1979, 12:55 PM Bacolod City, Philippines.... I am currently living in West Vancouver, BC.

Thank you so much! As always!!!

MARIE KIRSTEN ZANG from Canada

Dear Kirsten,

we are a long way from 2014 ... I see you for a research and training activities (strong 9[^] radix House).

You should go to Perm, Russia, for your birthday 2014. Do not be afraid Saturn in 3[^] House because it can also mean a lot to study, with great sacrifices, even at night ...

Remember that the day of your birthday 2014 Mars and Saturn will be quite near and can not be put in the same House.

Study well my The Great Treatise of Astrology, Amazon.com.

Best wishes.

Dear Master Ciro,

Can you please recommend a very good lunar return for AP (18-09-54 Trieste - 20.15). The stellium is quite scary. Possibly in the Europe area.

Many thanks

Hugs,

Anne Marie

Dear Anne Marie,

limited to Europe and considering Turkey as if it were Europe, I advise Van to AP: it is not a perfect Aimed Lunar Return, but it is possible.

Day 19/2, at 10:54 AM Local Time.

Best wishes.

ALR 2013 February Van Turkey For AP

Ciro Discepolo, an astrologer, journalist and writer, was born in Naples in 1948 (on the 17th of July, at 5:40 am).

He worked for twenty years at the most popular daily of Naples, *Il Mattino*, writing articles on science, medicine, informatics, literature and astrology. He always refused to cast the so-called 'horoscopes of

the solar signs' for that newspaper and for any other newspaper or magazine.

He worked (at 20 years old) for five years at the CNR (National Research Council) as Researcher Helper and, for two years, as Electronic Measures Laboratory's head in the Istituto Motori of Naples, CNR.

He has been dealing with astrology since 1970. He has written over 65 books, most of them best-sellers in Italy as well as abroad (France, the United States of America, Spain, Germany, Hungary, Slovenia and Russia). He has published also about 750 Astrology lessons on YouTube. In 1990 he founded the quarterly *Ricerca '90*, which he's been directing since then.

He's been doing statistical researches from the very beginning of his interest in astrology.

At the beginning of the '90s, he obtained very brilliant results with researches on astral heredity on a sample of over 75,000 subjects.

He's been holding seminars, courses and lectures in different universities and cultural centres in Italy and abroad.

He particularly deals with Predictive Astrology and Aimed Solar Returns. According to many colleagues he may be considered the greatest living expert of this sector. In fact not only he wrote a dozen of texts on this specific segment of the "Art of Urania" - he can also rely on an experience of more than 20,000 aimed birthdays (covering the years 1970 to 2007) that he suggested, whose outcomes he collected at an interval of one year.

He developed extremely advanced software packages for the study of Predictive Astrology, also projecting an innovative algorithm which is particularly useful for the dating of events within one year for individuals or groups of people.

He is deeply interested in informatics. Astrologically speaking, he followed the school of André Barbault.

He founded the school of the Active Astrology.
